MONTECH PLANS BOZEMAN PUBLIC HEARINGS ON ASSISTIVE TECHNOLOGY

MISSOULA --

Two public hearings will be held in Bozeman this month to give Montanans with disabilities the opportunity to discuss their needs for assistive devices and services.

The hearings, in the Tamarack Room of the GranTree Inn, are scheduled from 7 to 8:30 p.m. Monday, April 18th, and from 3 to 4:30 p.m. Tuesday, April 19. The hearings are sponsored by The University of Montana's MonTECH Program.

MonTECH, a program of UM's Rural Institute on Disabilities, helps people find, fund and acquire helpful tools and technology to make their lives easier. The Bozeman hearings, and others scheduled across the state, are designed to help the program identify and meet the needs and interests of the population it serves.

For more information, call the Montana Independent Living Project, 1-800-735-6457, or MonTECH, 1-800-732-0323.
